City of Guymon Citizens

Keeping you and our employees safe is a top priority, so we wanted to share the steps we're taking in response to coronavirus. We are developing preventative measures to maintain a clean, healthy environment in all the City of Guymon locations.

First and foremost, we've ramped up cleaning efforts. City of Guymon public locations are being cleaned daily, with sanitizing solutions used in high-touch, high-traffic areas. We also have employees dedicated to cleaning key areas throughout the day.

Second, we've asked employees who aren't feeling well to refrain from coming in. We are evaluating our leave policy to ensure it provides the flexibility needed by Guymon employees, as well as pay options and support if they are affected by the virus.

As always, we're grateful for the opportunity to serve you. Rest assured, we're doing everything in our power to provide a safe and healthy environment for you and our employees.

Sincerely,
Joe Don Dunham
Guymon City Manager
